Looks fine, thanks. It's very spare, as is Ken's letter, so I think just sending Ken's letter without some version of the desk statement may unnecessarily invite follow up requests from these individuals. But who knows - I don't feel strongly about it. I think it's fine to send based on her direction without further circling back. Thanks for getting it off the list!

Subject: Draft AX response

Hi Jason,

Jane asked that we do a short email response to the AXs with yesterday's letter attached. Below is a draft response. Please let me know if this looks ok to you, or if you think we need to run it by Jane. This would be in response to the 2 citizen inquiries, as well as the joint inquiry from the bay area NGOs. I'm in today, out on Friday, and back in on Monday.

Thanks,
M

Dear-

Thank you for your letter dated --, 2015 to Administrator Gina McCarthy concerning potential Clean Water Act (CWA) and Rivers and Harbors Act (RHA) protections for the Redwood City site known as the "Saltworks." Please see the attached letter.

Regards,

-
